All of Us

The community for care experienced and estranged students

Unite Foundation

Who is the Community for?

- **Every** student in higher education in the UK identifying as **estranged or care experienced.**
- Estranged means you have **little or no contact** with your parents (biological, step or adoptive - including deceased), and this **isn't expected to change**.
- Care experienced includes anyone who has been **in care** or is from a **looked after** background **at any point:** including foster care, kinship care, residential care and adoption.

Get involved today:

1. Attend one of our **free** events, or get full support to run your own thing!
2. Join our online Discord Community, to **hear about opportunities** and **connect** with others across the UK.
3. Subscribe to our monthly newsletter at https://bit.ly/AllofUsNewsletter
   Written **by & for** CE+E students
